ADDITIONAL INFORMATION

Projects **Zurich Insurance Group**

Zurich Insurance Group is Switzerland's largest insurer, top 100 of Forbe's World's Biggest Public Companies list.

This project was about the development of travel insurance online shops. The following ones are already online, some are in development.

Zurich Spain

Zurich UK

Technologies used:

- ASP C#
- MVC
- HTML/CSS
- jQuery
- Access Database
- NIS (Nordic Insurance Software) Webservices

OCC

OCC is a old/classic cars insurance service. Well known in the Swiss/German market. In this project we developed the online store that clients use to insure their cars.

Technologies used:

- ASP C#
- MVC
- HTML/CSS
- jQuery
- Access Database
- NIS (Nordic Insurance Software) Webservices

SMP / Coaching Center ST.Gallen Management Program

The St. Gallen Management Program is one of the most prestigious, international business schools in the German-speaking countries.

Technologies used:

- PHP
- Typoscript
- HTML/CSS
- jQuery
- MySQL
- SEO

Platform:

- Typo3

Hero Gastronomie

Hero Gastronomie is your competent food vendors with a high-quality range of convenience products , tailored to the large consumer market of the world.

Technologies used:

- PHP
- MySQL
- HTML/CSS/
- jQuery

Pax Broker App

Pax Broker App is an advisory tool for independent brokers. This app won the Innovationspreis der Schweizer Assekuranz award in 2014. My role in this app was working on the layout and some mobile drag/drop features.

Technologies used:

- jQuery/Javascript
- HTML/CSS

CutBend

In this project i developed the full website of the company, minimalist frontend to show products, and a full working backend that allows the client to manage all the website info.

Technologies used:

- PHP
- MySQL
- HTML/CSS/Javascript
